## TEACHING YOUTH (JR. HIGH - HIGH SCHOOL)

Today's youth are faced with many major cultural challenges, affecting their spiritual lives and walks with God. In this workshop we will look at why teaching our youth the Bible is one of the most important things we can do in our classrooms today. We will discover that teaching verse-by-verse can be engaging and "relevant" to today's culture. We will talk about why we "should not shrink from declaring the counsel of God."

## LEADERSHIP ORGANIZED: HOW TO BUILD A STRONGER, WELL-ORGANIZED TEAM

As a leader in Kids' Ministry it is important to surround yourself with a strong team, but how do you go about building a team and what tasks should you delegate to them? Jesus provides us with an example of "Leadership Organized" as He instructs His disciples in Luke 9:10-17 to organize the people in groups and make them sit down that they might be fed. As a leader, it is important to remember that you cannot do ministry alone, but need others to come alongside of you.

## TEACHING CHILDREN TO PRAY

God's design from the beginning is that people, young and old, would have a relationship with their Creator. But, knowing that no relationship is stronger than its communication, it becomes vital that we communicate with God. For without communication, the relationship becomes distant. But, through the glorious privilege of prayer, we are drawn into the very presence of a wonderful Holy God. Children too, can experience the blessing of talking with God through prayer. It is important that we teach them this while they are still young and this is what will be discussed in this workshop.
