Beginning the Design

- Always have a *center*
 - *Between the eyes is a good location*
- Tear drops, swirls, stripes are all directed towards the *center*

Using a Sponge

- Keep the sponge dry – wet only the paint
 - Spritz the sponge until damp
- Cut the sponge in half
- Use one side in the paint and the other side for blending
- Work with three colors

Who NOT to Paint

- **Anyone who looks like they might have conjunctivitis**
- **Anyone who looks sick or could contaminate other people**
- **Rubbing eyes and face with hands spreads disease**
- **Set aside any brushes that might be contaminated.**
