

Incorporating Apologetics into Youth Ministry

© Sarah R. Enterline 2021

The Approaches (Ages 13-18)

Approach 1: As the topic comes up in the Scripture or Series

- Examples:
 - Before starting Genesis, give the case for the why we can trust the Bible and how we can know God exists.
 - When the Red Sea is parted or Jesus is performing miracles, give the case for miracles.
 - When starting the Gospels, give the case for the Incarnation and Jesus' deity.
 - When you get to the supposedly contradictory passages in the Gospels, discuss why that doesn't mean the Bible is in error.
 - When you get to the crucifixion, give the external evidence for the crucifixion.
 - When you get to the Resurrection, give the Minimal Facts.

Approach 2: In between Books or Series

- Sometimes, when you get to the end of a book or series, it's good to take a break and cover a topic.
- Examples:
 - Between each book of the Pentateuch, give a different reason for why we can know that God exists.
 - Between each history book, give an argument for why we can trust the Bible.
 - Between each prophet, give a reason for why you can believe that miracles happen.
 - Between the testaments, give the case for the harmony of the gospels.
 - Between the gospels, give the case for Jesus' incarnation, existence, deity, crucifixion, and resurrection.

The Apologetics

Case for God's Existence

1. **Cosmological Argument**
 - a. Whatever begins to exist has a cause
 - b. The universe began to exist
 - c. Therefore, the universe has a cause
2. **Teleological Argument**
 - a. Design implies Designer
 - b. The Universe Manifests Design
 - c. Therefore, the Universe has a Designer
3. **Moral Law Argument**
 - a. Moral law equals moral law Giver
 - b. There is a universal moral law
 - c. Therefore, there is a Moral law Giver
4. **Argument from Desire**
 - a. Human beings desire a relationship with the Divine
 - b. Humans cannot desire something unless its fulfillment exists
 - c. Therefore, a Divine being capable of relationship with human beings must exist

Case for Jesus' Deity

- If Jesus were not Lord, he would be a liar or a lunatic. Jesus was neither a liar nor a lunatic. Therefore, Jesus is Lord.

In the mid-nineteenth century the Scottish Christian preacher "Rabbi" John Duncan (1796-1870) formulated what he called a "trilemma." Christ either [1] deceived mankind by conscious fraud, or [2] He was Himself deluded and self-deceived, or [3] He was Divine. (*Colloquia Peripatetica* p. 109) we see Duncan's argument from 1859-1860). Also see Lewis' *Mere Christianity*, p. 55-56

Case for Jesus' Resurrection

Minimal Facts Argument:

1. Jesus Died by Crucifixion
2. The Tomb was Empty
3. Post-Resurrection Appearances
4. Origin and Growth of the Church
